FORM OF CONSENT

Doctors of chiropractic, medical doctors, and the physical therapists using manual therapy treatments for patients with neck problems such as yours are required to explain that there have been rare cases of injury to the vertebral artery as a result of treatment. Such an injury has rarely caused stroke, sometimes with serious neurological injury. The chance of this happening are extremely remote, approximately 1 per 1 million treatments. Appropriate tests will be performed on you to help identify if you are susceptible to that kind of injury. If you have any questions about this please do not hesitate to speak with one of doctors. I have read and understood the above statement, accept the risk mentioned, and hereby consent to treatment.

**ASSIGNMENT OF BENEFITS
FOR RADIOGRAPHIC INTERPRETATION**

I understand that to insure the highest quality of interpretation of my x-rays, the services of a certified chiropractic radiologist are being utilized. This fee is separate from that of the chiropractic clinic. I also understand that the fees for this service will be submitted to my insurance carrier, Worker's Compensation, or attorney in the case of personal injury.

I understand I may receive a billing statement for: insurance denial, professional fees that have been applied to my deductible, or the balance due stated by my insurance company as my responsibility.

In the event that I receive payment for the services I agree to promptly remit payment to Diagnostic Imaging Consultants.

I acknowledge and give my consent to have my x-rays interpreted by Dr. Bryan Hosler, DACBR. I understand that any balance due is my responsibility.
